

# Model 7070

**Multi-function ATM that maximizes the operating efficiency  
Ideal ATM platform for drive-up**

## Features

- **Powerful financial-transaction support**  
With Microsoft® Windows® XP platform and Intel® Pentium® Processor, we guarantee faster and larger transaction support.  
Standardized design is to support multi vendor solution.
- **High scalability**  
*Model 7070* is the multi-function ATM to support various additional financial services. It has interface system that is easy to expand. Built-in check scanner, bill acceptor and statement printer are optional.
- **Reliability**  
*Model 7070* guarantees high reliability and safety by satisfying demanded standards for supporting financial transaction such as UL 291 Level 1 and encrypting PIN pad (Triple-DES)
- **User oriented product design**  
Fulfilling ADA requirements, it is thoughtfully designed to serve users convenient transactions giving them enough elbow room.  
It also makes easy to operate and manage with sunlight viewable 15" LCD display for customers and 15" large screen for supervisors.

*Create your true ATM values  
Design your own portfolio*

*Model 7070* supports not only traditional ATM transactions but also value-added services. It makes users feel comfortable to transact with the ADA standard compliance, sunlight viewable LCD, and user-oriented module arrangement. It serves high level of platform for drive-up with the 15" LCD for both a customer and a supervisor.

**Nautilus**  
HYOSUNG

*Nautilus Hyosung, always by your side*

# Model 7070

## System Control

Intel® Pentium® Processor  
Microsoft® Window® XP

## Communication

TCP/IP

### Optional

Dial-up, Bisync, SNA/SDLC, X.25

## Application Software

NDC+, DDC912, Web enabled

## Customer Display

15.1" TFT LCD

Sunlight viewable

## Input Type

4 x 2 Function keys

(Optional touch screen)

4 x 4 Numeric keys

EPP (Encrypting PIN pad)

ADA compliant

## Supervisor Operation

15.1" TFT LCD, Touch screen

## Card Handling

Dip type card reader

### Optional

EMV Level 1, 2 compliant

## Cash Dispensing

3000 notes x 2 cassettes

(Up to 4 Cassettes)

Note by note rejection

Bundle retraction

## Depository

Envelope depository

## Printers

Graphical thermal receipt printer

Electronic journal

### Optional

Graphical thermal journal printer

## Security

UL291 Level 1 safe

Mechanical combination lock and key lock

### Optional

Electronic safe lock

KABA Mas Cencon safe lock

## Optional Device

Check scanner

Bill acceptor

## Miscellaneous

Heater

Lead-through indicator

Illuminated signage

## Power Supply

AC 110~230V, 50~60Hz

## Operating Environment

Temperature

-31°F ~ 122°F (-35°C ~ 50°C)

Humidity

25% ~ 86%

## Dimension and Weight

Height : 61.2" (1,548mm)

Width : 32.6" (830mm)

Depth : 38.6" (982mm)

Weight : 1440lbs (650kg)
